Re: Docket No. 3692 - Verizon RI Proposed Alternative Form of Regulation Plan

Dear Ms. Massaro:

Enclosed for filing are the original and three copies of Verizon Rhode Island's Responses to the Commission's Data Requests 2-1, 2-2 and 2-4.

Please be advised that certain responses contain proprietary and confidential business and financial information. They are therefore filed in the sealed envelope labeled "Contains Privileged Information – Do Not Release". Please place these documents in a secure, non-public file. These documents are being provided only to the Commission, and to the Division and the Attorney General in accordance with the terms of Protective Agreements between Verizon RI and those parties.

As always, please call me with any questions. Thank you for your attention to this matter.

Sincerely,

/s/ Alexander W. Moore

Alexander W. Moore

Docket No. 3692

Respondent: Robert J. Kenney
Title: Executive Director - Regulatory

REQUEST: Public Utilities Commission, Set #2

DATED: November 28, 2005

ITEM: PUC 2-4 Please provide the number of single DS0 lines sold to CLECs through UNE-L in Rhode Island.

REPLY: The requested information is proprietary and competitively sensitive in nature, and is being furnished only to the Commission, the Division and the Attorney General in accordance with the terms of the Protective Agreements between Verizon and each of those parties.

The information requested in this request is not tracked by Verizon and would require a special study, which would be unduly burdensome. In an effort to be responsive, Verizon RI is providing the total number of DS0 UNE Loops sold to CLECs in Rhode Island.

Please see page 2 for proprietary response.
